The Honorable Tammy Baldwin
Member of Congress
2446 Rayburn House Office Building
Washington, D.C. 20515-4902

Dear Representative Baldwin:

Thank you for your past support of Wisconsin's transportation projects. Please consider including funds to reconstruct the Interstate 94-Highway N Interchange in the 2010 appropriations process.

The \$5.8 million project is needed to improve capacity on Highway N through the interchange; address congestion issues at ramp terminals at the Highway TT intersection just to the north by installing roundabouts; replace ramp pavement; improve bicycle accommodations on Highway N through the interchange; improve lighting; and add a park-and-ride facility nearby.

Attached is the request that Wisconsin DOT submitted to the House Appropriations Committee earlier this month. Our request for funding is in the Federal Highway Administration's (FHWA's) Interstate Highway Discretionary program, which requires a 10% state match. We are, therefore, requesting **\$5 million** and will be grateful for any amount you can provide.

Sincerely,

A handwritten signature in cursive script that reads "Frank J. Busalacchi".
